What's Working Well

- Professional hero banner.
- Mobile-friendly layout.
- Property search section.
- Hyderabad-focused structure.
- Blog section supports SEO.
- Clear contact page.

High Priority Fixes

- Use one official brand name: SatyaSri Realtors.
- Add Founder section with Mahesh Kumar's photo and story.
- Remove template names like Savannah Nguyen and Annette Black.
- Replace dummy properties with real Hyderabad listings.
- Fix 'No Listings Found' on the homepage.

Branding Checklist

- Use one official phone number across all platforms.
- Add 'Trusted Since 2009'.
- Display Google Reviews.
- Add floating WhatsApp and Call buttons.

SEO Improvements

- Create location pages for Gachibowli, Kondapur, Kokapet, Financial District, and Manikonda.
- Publish local property blogs.
- Improve meta titles and descriptions.

Recommended Homepage Layout

- Hero Banner
- Quick Search
- Founder Section
- Featured Properties
- Areas We Serve
- Client Reviews
- Latest Blogs
- Contact Form

Developer Checklist

- Remove template content.
- Update branding.
- Add founder profile.
- Upload real listings.
- Enable property filters.
- Optimize speed.
- Integrate Google Maps.
- Add WhatsApp CTA.

Expected Outcome

After replacing the remaining template content with genuine SatyaSri Realtors branding and real Hyderabad property listings, the website will look more credible and improve lead generation potential.
